

- Fall is the BEST TIME OF YEAR to plant.** Any time you plant use Bio-tone Starter Plus to reduce transplant shock and grow a stronger healthier root system
- Water newly installed plants all fall until the ground freezes. Even after they drop their leaves. Check the soil and water accordingly until the ground freezes.
- Plants are also beginning to take in and store nutrients for next year's growth so now is the time to feed all your trees and shrubs Holly-tone/Plant-tone
- Pansies love cool/cold weather. They last longer than mums and other fall flowers. The potentially can last all the way through winter until next spring. Just plant them with Flower-tone and mushroom compost
- Force bulbs in the refrigerator for use indoors. You can also pot them up, cover them with mulch and leave them outside. Then in spring, uncover them and set the pot on the porch or patio for instant color.
- Drain and cover any birdbath (unless heated) or fountain. Fountain and birdbath covers available

- Clean and refill your bird feeders with Wild Delight Premium Bird Food. Premium Food with NO MESS. Regularly cleaning and rinsing your feeder is essential to prevent spread of disease
- Plant paperwhites and amaryllis inside
- Get your Fresh Cut Christmas tree, remember to keep water in the stand. You DO NOT want to let the stand dry out
- When putting water in your fresh cut Christmas tree stand use hot water. You want to heat the water on the stove or microwave, not quite boiling but hot. The hot water will heat up the tree sap and then absorb water better
- Use Liquid Fence to protect your plants from deer, rabbits and other hungry animals looking for an easy meal during winter months.
- Plant spring blooming bulbs tulips, daffodils, hyacinth and more with Bulb-tone and dig up gladioluses, dahlias, cannas, and caladiums. There are several different ways to package them for storage. For more information call us, ask on Facebook, or simply come into the store.
- Pull up remaining warm season vegetables and plant a cover crop
- Apply winterizer on your lawn
